

JENSEN GOMEZ

ARTIST BIO

Jensen Gomez is a Filipino singer-songwriter, producer, arranger, and musical scorer who has been in the industry for over 14 years. Although his music can be genre-fluid, his main genre is alternative R&B and neo-soul. He has worked on various projects for film, television, commercials, and has been behind the music of some of the country's top artists.

Throughout his career, Jensen has released a handful of discographies under his three (3) artist monikers: Jensen Gomez, Jensen and The Flips, and Memphiis in some of the country's biggest record labels: Universal Records, Sony, and Universal Music Group.

Now signed under indie record label Off The Record, Jensen Gomez has released Phases Vol. 1-3 last 2021 after an 8 year hiatus in releasing his full solo work. He is set to release his most creative and experimental albums of his career thus far titled "Phases: In Full" this October 22, 2022.
